Download Wondershare EasyShare 4.1.0.5 Portable Latest Version with Activation Key 2020 free for Windows 32bit/64bit.~ It is quite clearly meant to "hide" more than it is meant to "protect". Trying to "protect" them would be as much as an exercise in absurdity as the current "protect" themselves version. ----- vkou I don't understand why 'doxing' a company, by posting their employees contact information and other personal details, is any more of a threat than finding their employees' paystubs, or business registration, or CEO's social security number. ~~~ jimktrains2 It is when the employee you are doxing is doing work against the interests of the company. So it may be good for the company if the state is able to ban a person from doing work against the company. Also, they do this for your credit score if not for other reasons. ----- jimmywanger Funny how the article links wikileaks without mentioning they got their info from those pages. Also, "doxing" appears to be a new word, but it's likely what many people use the word as. ----- jjawssd How will the "darker skin" benefit? ----- matheusmoreira Personally I don't mind the restrictions in the laws and I'm glad many other countries do the same. However I think it's very impolite to "crack down" on political speech. ----- TrinaryWorksToo Those of us that are living in the US will never understand how the rest of the world sees this as a threat. ~~~ dang Please don't post unsubstantive comments here. ----- jimmaswell You don't even have to like wikileaks to support this. ----- laknath_25 Just stick to Sweden and Iceland please. ~~~ ndnxhs If you can afford it ~~~ laknath_25 Are you serious
